

Center For Tobacco Independence

2009/2010 Webinar Schedule

(All Webinars are from 11am-12pm)

- 11/4/09 **Updates on Tobacco Treatment Medications**
Becky Hitchcock, NP, TTS-C
Updates including discussion of use of NRT combination therapy as well as discussion on how to talk with your patients/clients about the FDA warnings regarding possible side effects from use of varenicline or bupropion.
To register go to: <https://www2.gotomeeting.com/register/649532842>
- 12/2/09 **Dreaded Moments in Intensive Tobacco Treatment**
Martha Seabury, RN, TTS-C and TBA
Individual sessions don't always go as planned. Most clinicians have faced those dreaded moments when the treatment plan starts to crumble and the clinician and client together have to improvise. Two of CTI's clinicians share thoughts and strategies culled from their own transformative moments.

- 1/6/10 **Updates on the Maine Tobacco Helpline**
David Spaulding, Helpline Manager
Who is the HelpLine reaching? What are the latest trends? Also, discussion of HelpLine protocols including eligibility for the Medication Program and how medical use exclusions are processed.
To register go to: <https://www2.gotomeeting.com/register/680656067>
- 2/3/10 **The Family Smoking Prevention and Tobacco Control Act of 2009: What is it and what does it mean for Maine?**
John Archard, Tobacco Control Coordinator
The bill was passed "to protect the public health by providing the Food and Drug Administration (FDA) with certain authority to regulate tobacco products." In this session, Mr. Archard will present the basic outline of what the bill really covers, including discussion of what it means for Maine.
